ART IS INSPIRED

In decorating, one piece can make all the
difference. One unique find can spark a room's
design or bring it all together. With élan® lighting,
we seek to bring you these artistic expressions.
In form and in finishes, each piece is designed to
be as awe-inspiring as the spaces you create.

MATTE BLACK

You can't go wrong with matte black: eternally in-style, it brings contrast as well as an intimate feeling to a space.
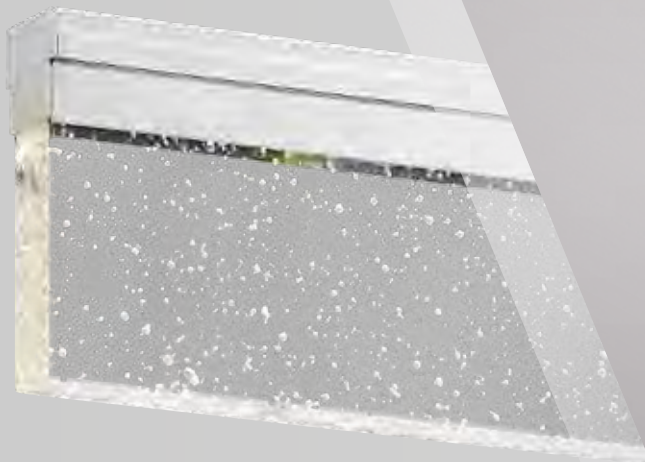

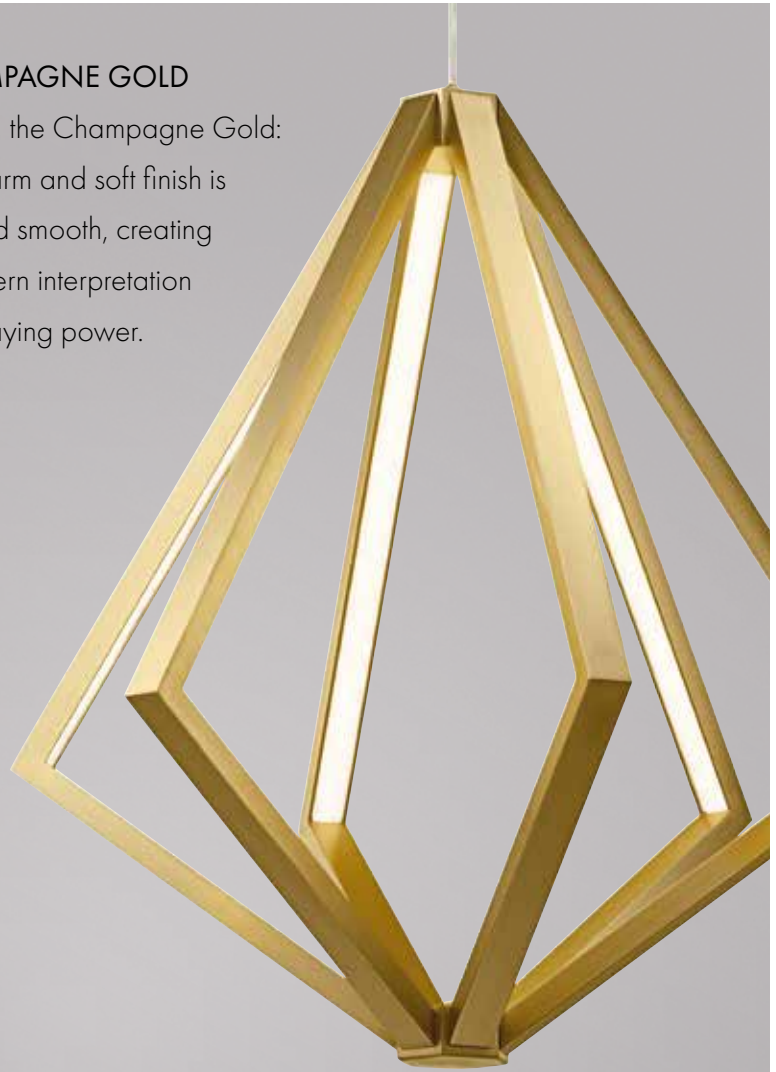

NEW FINISHES

SHAGREEN

A hidden gem on the decorating scene, Shagreen replicates the textured hide of shark or stingray. A staple of 1920s and 1960s decor, it's making a comeback on furniture and accessories.

CHAMPAGNE GOLD

Drink in the Champagne Gold: This warm and soft finish is brushed smooth, creating a modern interpretation with staying power.

BUBBLE GLASS

Bubbles, infused in clear glass, seem to glow — creating a unique lighting effect.

NATURAL MARBLE

A proven classic, repurposed for today's contemporary designs: each marble inlay is as unique as a fingerprint.

BEHIND
THE DESIGN

There's a peace and
beauty to birds in flight that
no other element in nature can
replicate. It's a fluid motion that's been
with us since the beginning of time. Avedu
draws on this feeling. ~ élan® Design Team
