ROOM SIZE AND CEILING HEIGHT RECOMMENDATIONS

ROOM SIZE

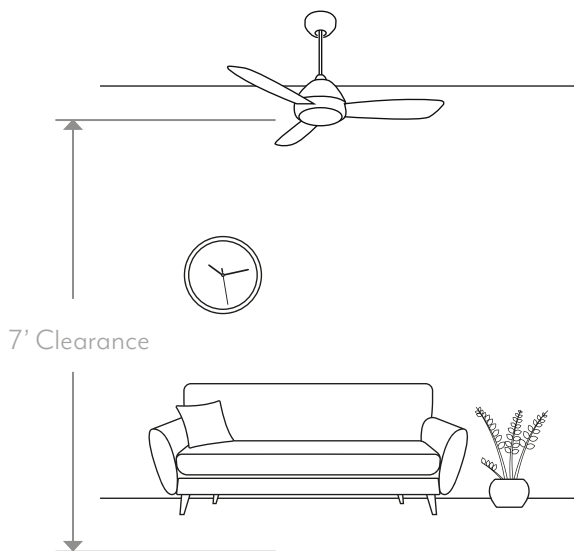

These measurements are for general air flow requirements only. Decorating plans or aesthetic considerations should influence your fan choices beyond these room size specifications. For very large rooms, multiple fans is an option.

Approximate Room Size		Blade Sweep
40-60 sq. ft.	6' x 8'	26" - 42"
70-90 sq. ft.	8' x 10'	44"
100-150 sq. ft.	10' x 12'	52" - 54"
Over 160 sq. ft. (Great Room)	12' x 15'	60" - 99"

CEILING HEIGHT

Be sure there is at least 7 feet of clearance under your ceiling fan blades. The standard 6" downrod should work in most 8 foot ceiling installations. This will position the blades far enough from the ceiling to have enough "supply" air above the blades to provide good air movement. If greater floor to fan clearance is needed, some fans can use our low ceiling adapter (A180) without using any downrod. However, air movement is reduced using the low ceiling adapter.

Ceiling Height	Downrod Length
9'	12"
10'	18"
12'	24"
14'	36"
16'	48"
18'	60"
20'	72"

This chart shows recommended downrod lengths for various ceiling heights.

Warranty and Disclaimer

MINKA GROUP® LIGHTING FIXTURES

- Minka Group® will warranty only product sold through authorized Minka Group® dealers.
- We strive to make sure each finish matches the colors which appear in this catalog; however, finishes may vary due to various chemical processes and the nature of hand applied finishes.
- Seeded glass (both flat panel and mouth blown) is handmade and variations will occur.
- We reserve the right to make design changes and modifications without prior notification.
- Size and finish specifications on all products in the catalog are subject to slight variations due to manufacturing processes. Photographs are close representations to the actual products.
- All product and glass are inspected before packing. However, due to variations in hand applied finishes, variations due to hand blown and seeded glass, and inconsistencies in natural materials, slight variations may occur that are acceptable and meet our quality control standards.
- Bulbs not included unless otherwise noted.
- Wattages stated are the maximum recommended; however, you may use lower wattage lamps to suit your lighting needs.
- All electrical products are rated as 120-volt, AC unless otherwise noted.

Many of the products in this catalog have the Energy Efficient logo . This identifies lighting that uses 2/3 less energy than conventional lighting and lasts 6 to 10 times longer.

- All lighting fixtures in this catalog that comply with the August 1, 2009 revision of the California Title 24 standards are marked with a Title 24 logo. Title 24 is a document that contains the building codes for the State of California. For more information, visit www.energy.ca.gov/title24.
- All Indoor products depicted in this catalog, when properly installed, are UL or ETL Listed where applicable.
- All Outdoor products depicted in this catalog are suitable for Wet Location. The only exceptions are flush mounts and chain hung which are UL or ETL listed, suitable for Damp Location.

Although we use the best available clear weather resistant lacquer, we cannot guarantee our exterior finishes due to extreme adverse conditions such as acid rain, ultraviolet rays, salt air, etc.

We cannot guarantee our direct burial post due to environmental characteristics including moisture, salinity, corrosiveness and other soil and air conditions.

The finish on our wrought iron series may be affected by direct salt water spray exposure.

All outdoor finishes are specifically excluded from the terms of this warranty since they are subject to environmental and maintenance damages beyond our control. Other than the described obligation, we assume no further liability with respect to the sale or use of our products. We make no warranty, express or implied, and disclaim any warranty of merchantability or fitness for a particular purpose.

- Larger size lanterns may require reinforced outlet boxes or additional support. Fixtures over 50 pounds must be supported independently of the outlet box. Consult a qualified electrician/installer.

WARRANTY - All lighting products in this catalog, other than our LED fixtures which has a limited Power Supply warranty (Module, PC Board Diodes and Drivers) for three (3) years, are warranted to be free of defects in material and workmanship for one (1) year from date of purchase. This warranty is limited to the correction of any such defect, or the replacement of any such defective item, provided that: (a) item(s) was (were) purchased from an authorized Minka Group® distributor; (b) we are properly notified and consent to the return of the item(s) in question; (c) the item(s) is/are returned with proof of purchase date; and (d) it is found upon inspection by us that the item(s) is/are defective as noted above. This warranty does not cover labor costs, consequential damages, nor does it apply to any item(s) that has/have been improperly installed, overloaded, altered, or otherwise abused by the customer, its agent(s) or employee(s).

Warranty and Disclaimer

MINKA GROUP® CEILING FANS

- Ceiling fan products depicted in this catalog are warranted to be free from defects in material and workmanship only if purchased from an authorized Minka Group® distributor:
- Fan motor - Limited Lifetime Warranty to original purchaser with proof of purchase as long as fan remains in its original installation location and is installed using only the original hardware provided (including hanger bracket).

WARRANTY – Ceiling fan warranty is for one (1) year from the date of purchase from an authorized Minka Group® distributor. This warranty is only valid to the original purchaser or user against all defects in material and workmanship (light bulbs excluded) for one (1) full year. Additionally, Minka Group® warrants the motor only for the lifetime of the ceiling fan (excluding wall controls and electrical components), to the original purchaser or user. Fans featuring an LED light kit have a limited Power Supply warranty (Module, PC Board Diodes and Drivers) for three (3) years. THE WARRANTY IS VOID: a) with the use of a non-Minka Group® electrical devices, e.g., wall controls or electrical dimmer switches, etc., b) once the original purchaser or user ceases to own the fan or the fan is moved from its original point of installation, c) with the use of any hanger bracket (non-Minka Group® or non-fan specific) other than the hanger bracket supplied & installed with this specific fan, d) installed in an environment other than its intended use (Indoor fans installed outdoors or in a covered outdoor patio area, or subjected to environmental conditions: salt air, humidity, direct sun exposure, etc.). Outdoor finishes are specifically excluded from the terms of this warranty since they are subject to environmental and maintenance damages beyond our control.

WARRANTY SERVICE INFORMATION – To obtain warranty service during the warranty period, the purchaser should return the fan with the sales receipt to the original place of purchase. The authorized Minka Group® dealer, at its sole discretion, will either repair or replace the fan after verifying the legitimacy of the warranty claim. Replacement is subject to availability of the same model. If the model is unavailable it will be replaced by one of equal value. This is a limited warranty; the original purchaser or user is responsible for the cost of removal and reinstallation of repaired or replacement product.

- All other ceiling fan parts and controls - warranted to original purchaser with proof of purchase for one (1) year from date of purchase.

MINKA GROUP® GENERAL CONDITIONS

- Minka Group® may terminate its business relationship with any dealer that fails to maintain adequate stock of Minka Group® product. Further, Minka Group® may cease selling product to any dealer that sells or distributes to an unauthorized dealer for resale purposes.
- Product specifications are subject to change at any time.
