Savoy House COLLECTIONS...

These Savoy House Lighting collections fulfill our design mission of creating recognizable and stylish products. We also continue our tradition of matching extraordinary design with great value, creating excitement and satisfaction with our lighting.

Along with our passion for great design is our commitment to quality engineering and high production standards.

Savoy House Lighting products undergo countless inspections and rigid testing, all performed by a highly trained and competent staff of inspectors and product specialists, before leaving the factory. Marvelous design, superior quality standards and notable value are all things our clients have come to expect from Savoy House since we were founded in 1965.

Our hope is that Savoy House Lighting's merchandise and exemplary service will make the demands of your job a lot easier. This commitment we have extends not only to our design and quality, but to you, our valued customers.

As always, we thank you for our continued growth, which is made possible through your kind and loyal support.
